LESOCIECION NOW!

e present imposse can be broken and a halt plet to increasingly harrible sloughter and destruction of Vietnam war only if one side or the other shows the fam and the courage and the compassion for huttry to take the initiative on a first step."

"A cessation of the bombing of North Vietnam is an imperative necessity to create conditions for peaceful talks."

U Thant, Secretary-General of the United Nations March 28, 1967

We support the call by U Thant for new initiatives to bring about negotiations among all parties to the conflict, leading to a political settlement of the Vietnam war.

We call upon the United States, the most powerful nation in the world, to take the first step and end the bombing of Horth Vietnam now and without conditions. We ask our government to take further initiatives leading to a standatill truce.

We ask North Vietnam and the Hational Liberation Front to respond affirmatively to any new United States initiatives and to join with the U.S. in a standstill cease-fire.

We ask South Vietnam to respect and join in these steps.

his course of action presents to the United States a moral alternative to our stated elicy of bringing about negotiations by force, or to the devastation of all-out war, and more realistic alternative than unilateral withdrawal.

le believe that such initiatives now can break the impasse and lead to negotiations at a political settlement providing for the removal of all foreign troops and for entirely democratic elections in which all South Vietnamese can participate freely.
